### Better Fibers. Better Yarn.

PrimaLoft introduces a new level of comfort and performance with PrimaLoft® Silver Performance Yarn 100% Polyester. We have developed a premium yarn, which incorporates our innovative, market-leading PrimaLoft® fiber technologies, that can be used in a wide range of applications. From outer layer to base layer, PrimaLoft has you covered.

- Superior softness and hand-feel.
- Accelerated dry times.
- High-performing, long-lasting durability and easy care.
- Highly breathable.
- High abrasion and better pilling resistance.

# It All Starts With The Fiber

PrimaLoft® Performance Yarn 100% Polyester is made up of ultra-fine polyester fibers, which are finer than cashmere, resulting in a luxuriously soft performance yarn.

- Proprietary fiber technology
- Compact Siro ring spun yarn
- Achieve desired coloring through Disperse dyeing
- Dries faster than conventional polyester yarns.

## Best Applications<sup>1</sup>

PrimaLoft® Silver Performance Yarn 100% Polyester provides an ideal solution for base layer, seamless, footwear, and other knit applications.

Base Layer

Seamless

Footwear

## Product Specifications

PrimaLoft ID: Y-2012

Blend: 100% PrimaLoft Polyester

Yarn Sizes: 1-17Nm – 1-85Nm

Color: White

## Recommended Care Instruction
